ERASMUS for young entrepreneurs

di European commission

Learn form entrepreneurs

del 2008-07-04 su Civile.it, oggi e' il 24.01.2020

This pilot project aims to facilitate exchange of experiences, learning and networking for nascent EU entrepreneurs through periods spent at companies of experienced entrepreneurs in other EU member states. The specific objective is to contribute to enhancing entrepreneurship, internationalisation and competitiveness of potential start-up entrepreneurs in the EU and newly established micro and small enterprises.
