To be entrepreneur: are you a problem solver ?

di Spataro

Who is an entrepreneur ?

del 2013-01-01 su Civile.it, oggi e' il 18.04.2024

You can study to become an entrepreneur or you can start changing the world near you. This is the difference.

Many fellows consultants can remind you need a market, that is a huge starting point when you talk about luck in entrepreneurship.

But there is more. In the early beginning of the video the key factors of being a successful human being.

It's not only about money.

It's about networking and a listener of needs.

In the video, we all need to listen to her.

Happy new year !
